Statement of Directors' Responsibilities in respect of the Financial Statements

Introduction

The Directors are responsible for preparing the FY23 Annual Report and Financial Statements in accordance with applicable law and regulation.

Company law requires the Directors to prepare Financial Statements for each financial year. Under that law the Directors have prepared the Group and the Company Financial Statements in accordance with UK-adopted International Accounting Standards.

Under company law, Directors must not approve the Financial Statements unless they are satisfied that they give a true and fair view of the state of affairs of the Group and Company and of the profit or loss of the Group for that period. In preparing the Financial Statements, the Directors are required to:

- → Select suitable accounting policies and then apply them consistently;
- → State whether applicable UK-adopted International Accounting Standards have been followed, subject to any material departures disclosed and explained in the Financial Statements;
- → Make judgements and accounting estimates that are reasonable and prudent; and
- → Prepare the Financial Statements on the going concern basis unless it is inappropriate to presume that the Group and Company will continue in business.

The Directors are responsible for safeguarding the assets of the Group and Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are also responsible for keeping adequate accounting records that are sufficient to show and explain the Group's and Company's transactions and disclose with reasonable accuracy at any time the financial position of the Group and Company and enable them to ensure that the Financial Statements and the Directors' Remuneration Report comply with the CA2006.

The Directors are responsible for the maintenance and integrity of the Company's website. Legislation in the UK governing the preparation and dissemination of Financial Statements may differ from legislation in other jurisdictions.

Directors' confirmations

The Directors consider that the FY23 Annual Report and Financial Statements, taken as a whole, is fair, balanced and understandable and provides the information necessary for shareholders to assess the Group's and Company's position and performance, business model and strategy.

Each of the Directors, whose names and functions are listed on pages 58–61 confirm that, to the best of their knowledge:

- → The Group and Company Financial Statements, which have been prepared in accordance with UK-adopted International Accounting Standards, give a true and fair view of the assets, liabilities and financial position of the Group and Company, and of the profit of the Group
- → The Strategic Report includes a fair review of the development and performance of the business and the position of the Group and Company, together with a description of the principal risks and uncertainties that it faces

In the case of each Director in office at the date the Directors' Report is approved:

- → So far as the Director is aware, there is no relevant audit information of which the Group's and Company's Auditor are unaware
- → They have taken all the steps that they ought to have taken as a Director in order to make themselves aware of any relevant audit information and to establish that the Group's and Company's Auditor is aware of that information

On behalf of the Board

Charles A. Rozes
